Dear Club Secretary

As requested at the meeting of Club Road Safety Officers on Wednesday night last 03rd August, please find attached a copy of the presentation used on the night.

Many thanks to those who attended and for their contribution at the meeting. As we now have a significant number of the club RSO's in place, I have attached copies of some of the documentation previously circulated for their convenience

Should you require any further assistance please do not hesitate to contact me and thank you again for your continued support in our efforts to promote road safety through motorsport.
