

# Motorsport Ireland

## DATA PRIVACY POLICY

This Data Privacy Policy specifies the information collected by Motorsport Ireland, its members and affiliates, specifically how it is collected, processed, stored, maintained, shared and erased.

We reserve the right to amend this Data Privacy Policy at any time without prior notice. We advise you to check our website regularly for any amendments.

We will always comply with General Data Protection Regulation (GDPR) when dealing with your personal data. You can find further details on the GDPR at <http://gdprandyou.ie/>

All personal data is processed in accordance with the requirements of Irish and European data protection legislation, including the:

- General Data Protection Regulation (GDPR), or Regulation (EU) 2016/679
- Data Protection Act 2018

The Office of the Data Protection Commissioner is the independent national authority in Ireland for upholding the right of individuals to data privacy through the enforcement and monitoring of compliance with data protection legislation.

The purpose of this Privacy Policy is to inform our members about the collection and treatment of personal data collected, in accordance with the relevant acts mentioned throughout this document.

## About Us

Motorsport Ireland (also known as 'MI', 'we', 'our' or 'us') understands that your privacy is important to you and that you care about how your personal data is used. We respect and value the privacy of licence holders and will only collect and use personal data in ways that are described here, and in a way that is consistent with our obligations and your rights under the law.

Motorsport Ireland is the data controller and data processor as defined. A Data Protection Officer (DPO) does not need to be appointed.

Registered Company Address:

Motorsport Ireland  
34 Dawson Street,  
Dublin 2

Our company number is 395523, registered in the Republic of Ireland as a private limited company.

## Type of Data Collected & Usage

We may collect some or all of the following personal data; this may vary according to your type of relationship with us:

Type of Information	Purposes	Legal Basis of Processing
Licence Holder's name, address, contact number and e-mail address.	Issuing and managing the Licence Holder's Competition, Officials, Entrants and/or Media licence	For the purpose of our legitimate interests in operating and governing all aspects of the sport
Date of birth.	Managing licence and/or competition categories that are age related and for Insurance requirements	For the purpose of our legitimate interests in operating and governing all aspects of the sport
Nationality	Cooperating and collaborating with other FIA ASNs to ensure correct authority to issue Competition Licences	For the purpose of our legitimate interests in operating and governing all aspects of the sport and fulfilling our obligations as an FIA ASN
Qualifications and Training	Managing Licences in categories of experience and qualifications with regards to current requirements to compete in certain categories of events or perform certain Officials functions	For the purpose of our legitimate interests in operating and governing all aspects of the sport
Medical information	Possession of a valid medical required before obtaining certain categories of licence	For the purpose of our legitimate interests in operating and governing all aspects of the sport and as a prerequisite of our insurance policies
Medical contact details	Contacting the Licence Holder's Doctor in the event of an emergency	Protecting the licence holder's vital interests and those of their dependents
Licence Holder's payment information	Taking payment for the applied for licence	Completing the agreed transaction before secure disposal
Official's name, address, contact number and e-mail address	Information published on the MI website, newsletter or other publications and marketing materials, in each case as a point of contact at the club	For the purpose of our legitimate interests in operating and governing all aspects of the sport
Event entry information	Information collected by event organisers at any motorsport event held under one of our permits	For the purpose of our legitimate interests in operating and governing all aspects of the sport and as a prerequisite of our insurance policies

During events under permit Information such as location data collected by GPS technology to record speed location and status	Improve and Minimise response times when deploying medical services.  To assist in the event and course management and with competitor queries in relation to times, penalties and transparent decision making	For the purpose of our legitimate interests in operating and governing all aspects of the sport
--	--	---

Motorsport Ireland complies with its obligation under GDPR by keeping personal data up-to-date, by storing or destroying it securely, by not collecting or retaining excessive amounts of data, by protecting personal data from loss, misuse, unauthorised access and disclosure and by ensuring that appropriate measures are in place to protect personal data.

We use your personal data for the following purposes, to:

- enable us to provide our services of motorsport licencing
- administer membership and training records
- fundraise and promote the interests of the sport
- manage our instructors, members, licence holders and volunteers
- maintain our own financial accounts, event records and invoicing
- supply you with information by telephone, e-mail or post
- facilitate communication between organising clubs and licence holders to inform you of news, events and regulatory changes relevant to club activities to enhance the operation of the sport
- ensure we are complying with the requirements of our insurers
- comply with EU and FIA regulatory requirements

### **Lawful Bases of Processing**

We acknowledge that processing may be only carried out where a lawful basis for that processing exists and we have assigned a lawful basis against each processing activity, which can be viewed in the above table.

Where no other lawful basis applies, we may seek to rely on the member's consent in order to process data.

### **Storage of Personal Data**

Motorsport Ireland is the National Governing Body for Motorsport in Ireland, as recognised by Sport Ireland, and complies with The Governance Code for the Community, Voluntary and Charitable

Sector in Ireland. All of our administrators are aware that hard copy personal information should be kept in a locked filing cabinet, drawer or safe. They are aware of their roles and responsibilities when their role involves the handling and processing of personal data, and are instructed to store files or written information of a confidential nature in a secure manner so that are one accessed by people who have a need and a right to access them and to ensure that screen locks and enabled on all desktops and laptops etc. when unattended. No files or written information of a confidential nature are to be left where they can be read by unauthorised people.

Where data is computerised, it should be encrypted or password protected, either on a local hard drive or on a network drive that is regularly backed up. If a copy is kept on removable storage media, that media must itself be kept in a locked filing cabinet, drawer or safe. Personal data relating to licence holders will not be kept or transported on laptops, USB sticks, or similar devices, unless prior permission has been received. Where personal data is recorded on any such device it should be protected by:

- ensuring that data is recorded on such devices only where absolutely necessary
- using an encrypted system – a folder should be created to store the files that need extra protection and all files created or moved to this folder should be automatically encrypted
- ensuring that laptops or USB drives etc. are not left where they can be stolen, and in the in case of such an event occurring to report the incident to the relative authorities without delay

### **Data Protection Principles**

Under GDPR, all personal data obtained and held by us must be processed according to a set of principles. In accordance with these principles, we will ensure that:

- processing will be fair, lawful and transparent
- data be collected for specific, explicit and legitimate purposes
- data be collected will be adequate, relevant and limited to what is necessary for the purposes of processing
- data will be kept accurate and up to date. Data which is found to be inaccurate will be rectified or erased without delay
- data is not kept for longer than is necessary for its given purpose
- data will be processed in a manner that ensures appropriate security of personal data including protection against unauthorised or unlawful processing, accidental loss, destruction or damage by using appropriate measures
- we will comply with the relevant GDPR procedures for transferring of personal data

### **Your Rights**

You have the following rights under GDPR:

- to be informed about the data we hold on you and what we do with it
- to access the data we hold on you
- for any inaccuracies in the data we hold on you to be corrected
- to have data deleted in certain circumstances
- to restrict the processing of the data
- to transfer the data we hold on you to another party
- to object to the inclusion of any information
- to regulate any automated decision-making and profiling of personal data

### **Access to Data**

As stated above, all licence holders have a right to access the personal data that we hold on them. To exercise this right, licence holders should make a Subject Access Request. We will comply with the request without delay, and within one month unless, in accordance with legislation, we decide that an extension is required. Those who make a request will be kept fully informed of any decision to extend the time limit.

No charge will be made for complying with a request unless the request is manifestly unfounded, excessive or repetitive, or unless a request is made for duplicate copies to be provided to parties other than the member making the request. In these circumstances, a reasonable charge may be applied.

To submit a Subject Access Request please send a request to the licence administrator in writing either by e-mail or at our registered address.

### **Data Disclosures**

MI may be required to disclose certain data to any person or third party. The circumstances leading to such disclosures include, but are not limited to:

- when required by or permitted by law or lawfully necessary to protect Motorsport Ireland and its legitimate interests
- requests from authorities, law enforcement agencies, court orders, legal procedures, obligations related to the reporting and filing of information with authorities or insurers
- requests from motorsport authorities such as the FIA.

These kinds of disclosures will only be made when strictly necessary such as the above purposes or if we have received your explicit consent for such transfer of your personal data.

Motorsport Ireland does not transfer personal data to any recipients outside the EEA.

### **Contact Us**

To exercise all relevant rights, queries or complaints please in the first instance contact reception at [info@motorsportireland.com](mailto:info@motorsportireland.com) or on 01-6775628
