

TELL YOUR FAMILY AND FRIENDS ABOUT MI-MEMBERSHIP!

As part of a long-term goal to acknowledge and reward those involved in motorsport, Motorsport Ireland is offering MI-Membership, a simple, reward-based membership scheme, available for FREE to all motoring enthusiasts. As a competition licence holder, you will be automatically enrolled in the programme. **Don't forget to tick the first 'Marketing Communications' box on the enclosed Licence renewal form so that you receive exclusive MI-Membership offers and promotional codes by email. Otherwise, you will miss out!** However, MI-Membership aims to open-up Motorsport to more than just competitors. This includes friends & family, service providers, sponsors, marshals, logistics suppliers, organisers, club members alike. It provides members with specialised commercial offerings such as:

- 30% discount with Parts for Cars
- 10% discount with Murray Motorsports
- 10% off at La Ruelle Wine Bar & Restaurant
- 10% discount with LOH Motorsport
- 10% discount on ferry cabins with Stena Line
- 10% discount & free mobility survey with Mobility Assist Ireland
- €30 OFF Rally Car Driving Experience with Rally School Ireland

Please encourage those around you to visit www.motorsportireland.com, click on **MI- Membership** and fill out a short application form to receive their FREE MI-Membership card in the post.

Our commercial offerings will continue to grow as our membership increases. Also, by developing a strong Motorsport Ireland community, we can demand more grant funding and secure commercial agreements from a position of strength. This will enable the financing of additional programmes that motorsport needs.

***Please Note:** MI-Membership is separate from Membership to an MI Affiliated Club, which is still required as part of your licence application*

To learn more about the MI-Membership programme and view a full list of participating outlets, please visit:
