Otherwise, you will miss out!** However, MI-Membership aims to open-up Motorsport to more than just competitors. This includes friends & family, service providers, sponsors, marshals, logistics suppliers, organisers, club members alike. It provides members with specialised commercial offerings such as:

Our commercial offerings will continue to grow as our membership increases. Also, by developing a strong Motorsport Ireland community, we can demand more grant funding and secure commercial agreements from a position of strength. This will enable the financing of additional programmes that motorsport needs.
